# Insights from Data

## REVIEW

## HISTORY

### Meets Specifications

### Ready to go!

Your insights are very clear and the screenshots you provided make it easy for anyone to understand the data.

Keep up the great work!

### Completeness

Three insights are reported using one Dashboard.

Good job creating the insights!

Each insight has an explanation describing how the insight was reached from the data.

For each insight, provide a screenshot that shows what you found in the dashboard.

### Correctness

**CORRECTNESS**

**Student's conclusions are correct based on the data.**

Your insights are correct and are based on data obtained from the dashboard

**The dashboard was used appropriately to find the information.**

Dashboards are very straightforward and it's always a good idea to click around to see all the possible ways the data can be presented.
